

Coronavirus Tweets Analysis

-Xufei Li

Goal

- ▶ Top topics people are discussing on March 2020(beginning of pandemic) & May 2021(current)
- ▶ Compare by countries
- ▶ Group tweets to different group for further analysis

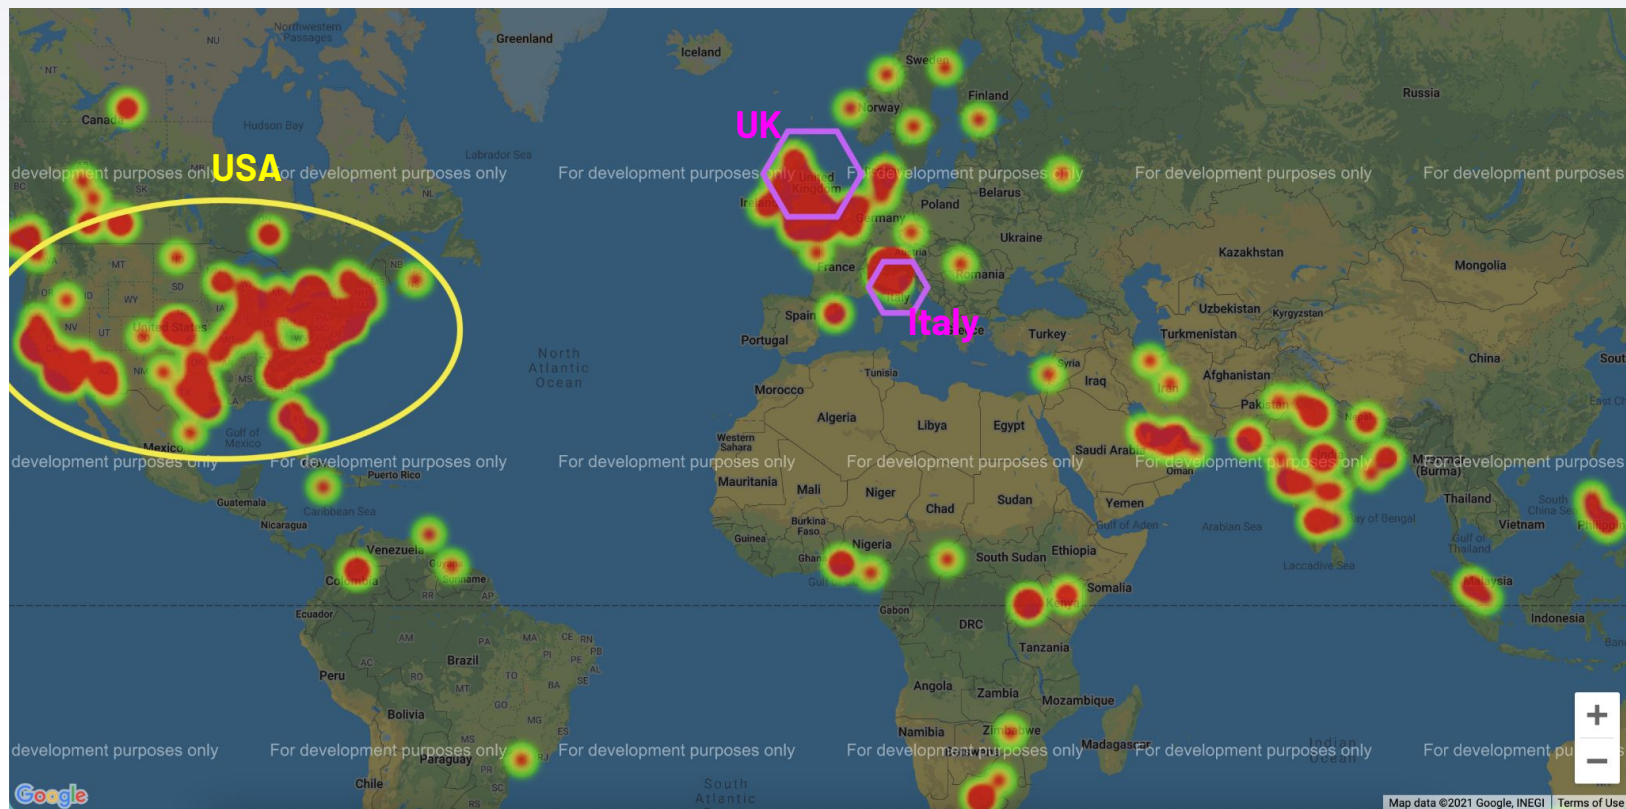

Data:

- ▶ From Kaggle: 41,000+ tweets
- ▶ Twitter API: 5,000 tweets

Data Cleaning & Heatmap

Filter & Clean Kaggle Data - March, 2020 & English Tweets only

Text Preprocessing

Preprocessing & Tokenization:

- ▶ 're' library
- ▶ Stop words
- ▶ TfidfVectorizer

Topic Modeling - NMF

Topic 1	Panic buying & stocking food
Topic 2	Grocery & retail
Topic 3	Online shopping & delivery
Topic 4	Gas price decline
Topic 5	Toilet paper hoarding
Topic 6	Food shortage (empty shelves)
Topic 7	Mask & Hand sanitizer shortage
Topic 8	Thanks ALL front-line workers
Topic 9	Covid impact on business & economy
Topic 10	Stay at home

A fun tweet:

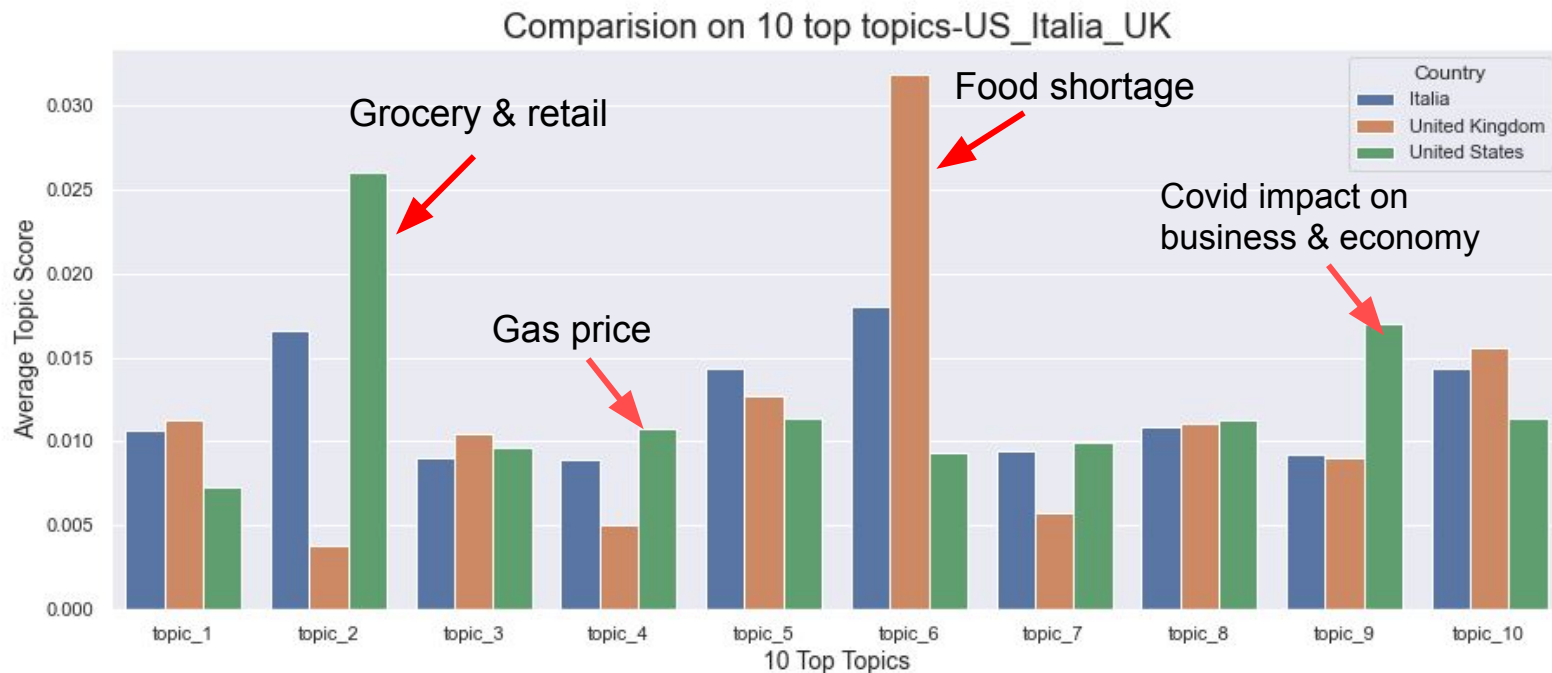

[Toilet paper hoarding is sh**.](#)

- 4 cases toilet paper from Costco
- Family of 4
- Quarantine for 14 days

= 182 sh**/day

So, calm down!

Clustering

Choose K = 6

Result of clustering:

Top 3 topic for each cluster based on topic score

Cluster 0	'topic_5'	'topic_10'	'topic_8'
Cluster 1	'topic_2'	'topic_8'	'topic_10'
Cluster 2	'topic_4'	'topic_2'	'topic_10'
Cluster 3	'topic_7'	'topic_8'	'topic_10'
Cluster 4	'topic_6'	'topic_10'	'topic_8'
Cluster 5	'topic_9'	'topic_3'	'topic_1'

Topics for May_2021:

(Data is from twitter API, only for May_26_2021 night)

- Vaccine - 'appointment', 'second dose', 'side effects'
- News - 'LEAKED INTERNAL DOCS(fb)'
- News - 'Tennessee anti-vaxxer arrested'
- News - 'COVID OUTBREAK IN MELBOURNE, Australia'

Future work:

“
Ingesting whole month data for May_2021 then apply topic modeling to see the top discussions.

Appendix 1:

Top 6 words for each topic for March, 2020

```
[['people', 'stock', 'need', 'buying', 'panic', 'food'],  
 ['people', 'going', 'stores', 'retail', 'grocery', 'store'],  
 ['stay', 'amazon', 'delivery', 'home', 'online', 'shopping'],  
 ['amid', 'low', 'price', 'gas', 'oil', 'prices'],  
 ['toiletpaperpanic', 'rolls', 'roll', 'toiletpaper', 'paper', 'toilet'],  
 ['just', 'like', 'local', 'shelves', 'people', 'supermarket'],  
 ['use', 'masks', 'hands', 'make', 'hand', 'sanitizer'],  
 ['delivery', 'employees', 'staff', 'drivers', 'thank', 'workers'],  
 ['scams', 'business', 'behavior', 'impact', 'pandemic', 'consumer'],  
 ['support', 'social', 'stay', 'help', 'home', 'amp']]
```

Conclusion:

- Topic1: panic buying & stocking food
- Topic2: grocery & retail
- Topic3: online shopping & delivery
- Topic4: gas price decline
- Topic5: Toilet paper hoarding
- Topic6: supermarket shelves are empty - Food shortage
- Topic7: mask & Hand sanitizer shortage
- Topic8: Thanks ALL front-line workers
- Topic9: covid impact on business & economy
- Topic10: StayAtHomeSaveLives?
